Social Media and Internet Safety for Parents

Have you ever wondered exactly what your children get up to on the web? Or have you wanted to know why that app has an age rating on it? Or thought 'why shouldn't my child go on that site, when all their friends are?'

There is a real reason behind all these things - it's not just parents (or Youth workers) being grumpy old fuddie duddies.

Tim would like to put on an evening where he will go through Age ratings on apps and sites, keeping your children safe online, and what do your children get up to when they are on the web. If this is something that would interest you, please send Tim an email youth@lmclife.org.uk to register your interest.

Welcome to our Newsletter

Welcome to our Spring / Summer Edition of LMC Children's Work News!

Thank you for taking the time to catch up with what we are doing with the children in your church - Inside this issue you will find plenty of information about what has been going on and you will find out plans for the coming months.

If you've been a part of LMC Children's work over the last couple of months then I want to say a BIG THANK YOU for all you have done.

Thanks and God bless

Tim

Wren Park School

Tim has been going in to Wren Park School on a weekly basis for a while now, first with Illuminate and now representing LMC directly. Bridge the Gap is the Tuesday lunch club for christians and their friends and we have just finished 'Tim's Whistle Stop Tour through the Bible' - leading onto the Fruits of the Spirit and how we can show them throughout the school. Tim has led assemblies and a week of small group work with the year 5's talking about 'worries'. Mr Buckley (the Head) and I are continuing to talk about the many more things I can offer the school in my role as Children's worker.

Derby High Primary

DERBY HIGH SCHOOL
ESTABLISHED 1892

I have also enjoyed taking termly assemblies at Derby High School, where they never cease to amaze me with their wonderful singing! They have also been kind enough to support me with my Uganda / Compassion trip by holding a non-uniform day to raise funds.

Richard Jukes

Holiday Club - Easter 2017

Holiday Club this year was so good it was 'Out of this world!' Once more we had over 50 children from the community filling the church with noise and laughter while having fun, making friends and learning about our amazing God. The theme was Daniel - the culture he found himself in was so different to his norm, that it was like being in a different world, or in outer space. We learnt that God is with us wherever we are, that he forgives us, and that he loves us.

Although the theme was 'Daniel' our primary aim was for the children to learn about God's hope and love through us reaching out to them throughout the day. More important than learning about the Bible story was learning and experiencing God's love in their lives and that is exactly what they got from the brilliant team of volunteers. The club was only the success that it was because of the people who helped out. So a massive thank you

to everyone involved.

epic:kids

We are having such good fun at our mid week group for kids that we need to start another club! EPIC:KIDS is a social evening for 7-11 year olds with a good old 'God Slot' in the middle. These groups are at a capacity when we reach 25 children, as this is the point where we cease to be able to build good purposeful relationships with them to enable us to reach out to them with God's hope and love. We have children who want to come to church but we can't currently host them because we lack a few good volunteers. We do not have a set night at the moment, so if you think you could help, please let me know your availability. Thank you.
