

Perspectives - May 7th, 6pm

Have you ever been challenged to take part in a difficult conversation where you face the challenge of relating our faith to the complex world we live in? How do we respond to our societies' views of social and political issues? Join us next Sunday for our first evening of Perspectives as we take 60 minutes to work through some different opinions and interpretations of these vital, and sometimes controversial issues together. These evenings are designed to promote thought and encourage discussion around specific topics; using interviews, film clips, statistics and Bible content. Next week we are looking into Gender; more specifically gender roles and what it means to be a man or a woman in the 21st

Century. We will be hearing views from people within the community and hopefully beyond as we encourage discussion through Twitter. This is a great opportunity to invite any friends who aren't Christians, but who may be curious about Christian perspectives on the issue of gender roles.

Picnic in the Park - 15th July - SAVE THE DATE!

This year we are joining with our local community partners to help facilitate Picnic in the Park, a community-wide fun day for the people of Littleover. The details are still coming together but we hope to have a craft and activities stand, as well as a pop-up cafe - both intended to share something of what we do at LMC, seeking to live like Jesus and reach out with God's hope and love. More details nearer the time.
