Prayers for Mission On Tuesday 12th June I fly out to Kiev in Ukraine for a week-long mission trip as a part of my New Wine Discipleship Year course. There are a few specific things that I would value prayer for whilst I'm out in Kiev. I know very little about what we are doing when we get there; this would normally send me into a panic as I like to be organised. I have had a strange sense of peace about the trip so prayers that this peace will continue in the lead up to the trip and whilst I am there would be great. I would also appreciate prayer for my travel sickness which will be tested by Kiev's busy underground, the flights and the transfers there and back. Thank you, Katherine Harrison

Newcomers lunch On Sunday 24th June we are hosting another Newcomers' Lunch. The lunch will be held at 1:00pm after the Morning Worship Service. This is a chance to share in food and hear more about what we do at LMC. This is an event for people who are new to the church and haven't attended a newcomers lunch before. Please let Annie Winkler or Sandra Greenaway know if you are able to make it.

Span Music Festival 19th - 21st July LMC will be holding a music festival over three consecutive nights in July. It will provide a showcase for some of the excellent, local talent that we have in our own church family and in the local community. The festival will be non-competitive, celebrating the dedication, skill and persistence demonstrated in the locally sourced acts. Each night will run from 7.30pm - 9.30pm, each with a different focus. Thursday "soloists", Friday "acoustic" and Saturday "bands" where two or three bands will perform. If you would like to take part or know someone who would, please fill in a registration form before June 17th. Please put the dates in your diary and come and support the event. This is a new way that we can invite friends and family along to a social event at church and develop relationships with our community.

If you would like a copy of this flyer to advertise the event or give to a musician that could be involved then please see Rob Collinson or Katherine Harrison
