

Funerals

Littleover Methodist Church

A vibrant Christ centred church at the heart of our community

At LMC we believe that the celebration of funerals is an important part of what the church offers. We aim to provide care and compassion to the bereaved as well as offering the Hope of the Risen Christ by celebrating the lives of believers and those in the wider community.

Important points for all Funerals

- All funerals need to be arranged in consultation with the Minister.
- Funerals at LMC are usually conducted by the Minister.
- The church has no restriction on whose funeral can or cannot be celebrated within its buildings but the ministry the church offers is an act of Christian worship which includes the reading of scripture, prayer and sung worship.

The Minister is paid a fee by the funeral director for the conducting of funerals. The policy of LMC is that a church fees will be charged for each funeral.
