News

On behalf of Arboretum Primary School I would like to thank you for the large selection of Christmas chocolates, biscuits and sweets that were donated before Christmas. These were shared between 48 children who would not receive tasty treats at Christmas time. The school also received a generous monetary donation from LMC which was used to buy onesies for 32 of the most disadvantaged children. Both the above donations were added to gifts of toys which were received through Derby City Mission's 'Christmas Connection' project. Twenty one children received these gifts. Finally, thank you sincerely for Littleover Methodist Church's on-going donations to the food bank which many of our families benefit from all year round.
 Cath Patterson.

We have heard from Cyril Phillips that sadly Joyce passed away on Monday 7th January. Please remember Cyril and the wider family in your prayers at this time.
