TO LIVE LIKE JESUS, REACHING OUT WITH GOD'S HOPE AND LOVE

Christmas gives those who know and love Jesus a wonderful opportunity to share the best gift that we have ever received with our friends and family.

Take time in this busy season to ask God who He wants you to share the real meaning of Christmas with this year.

Good news stories – give thanks to God

Over the last fourteen weeks there have been two Christianity Explored courses running. These have seen many people grow in their relationship with God and be strengthened and encouraged in their faith.

We have seen God move in incredible ways, answering prayers and drawing people nearer to Him. Praise God that one person has given their life to Him during the course. God is good!

A big thank you to everyone who supported Messy Christmas, either as part of the team, coming along with friends and family, or in prayer. We welcomed over 180 people who all heard the news that Jesus came to save them because He loves them.

It has been great to see some of these families coming to other events at LMC and joining us in worship on Sunday too. Messy Church is a wonderful way to build relationships with families in our community. Please consider joining the team and helping to share God's love and hope.

The autumn term has had many opportunities to build relationships with our community. The Bonfire Party, Comedy Night, Wild'Uns and other events have engaged families who come to PlayArk, Messy Church, use the café and go to the uniformed groups. Please keep praying for these relationships to strengthen and that there would be opportunities for more conversations about Jesus' love for them.
