

# Children and Youth Work

REVOLUTION

## Soul Survivor

We are heading off to Soul Survivor for the final time this summer. Soul Survivor is coming to an end and we are hoping for a big send off.

We already have 13 young people raring to go, but we have room for many more.

If you are 11+ you are very welcome. The price is £150, we expect people to pay £115 towards the ticket price and then we fundraise for everything else. We are also able to help with part or all of the cost, if this is necessary.

If anyone would like to contribute to the cost of a ticket or two then please let Tim know. The cost is usually the biggest barrier to enabling our non-Christian young people attend this fantastic summer camp.

## Faith sharing at home with your children.

Most parents would love to be able to share their faith at home with their children. Statistics show that the most influential people in the lives of children with regards to faith formation are parents.

But how do we go about doing that?

We have put together a list of some resources for you to do just that, some may be better for your family than others so we have a few options for you.

And to kick things off, why don't you book on to the Raising Faith Tour. Care for the Family are coming to Derby on Wednesday 8th May at Derby City Church. 7:30-10pm

They will be encouraging you to see how you can build your child's faith - without adding more to your to-do list!

A leaflet is available for you to find out more at the welcome desk.

Youth and Children's Work Magazine, is one of the premier voices in youth and children's work in the UK, at LMC we use a lot of the resources for our Sunday morning groups and our midweek school and social activities. They are always great, relevant and insightful. YCW have a section on Faith at Home. You can access it online for free at [youthandchildrens.work/faithathome](http://youthandchildrens.work/faithathome)

We can also print out copies from the church office if required.

Bob Hartman has some fabulous bedtime stories, you can find these at the same place.

If you have resources to share that work well, please let Tim know so that we can tell others.
