This will launch “Christianity Month” for May.

Further information about other events during May will be available on 25th April. An opportunity to see the connections and value of Christianity to societies and communities and to look at potential for the future.

Michael Harvey is married to Eike. They have three adult children, and three granddaughters. In 2004 Back to Church Sunday was birthed and Michael started to work with churches throughout the UK and eventually throughout the English-speaking world.

He has spoken in thousands of churches. He launched the first National Weekend of Invitation in June 2018 and the Acorn spiritual practice in May 2020.

He is author of the books Unlocking the Growth, Creating a Culture of Invitation and his latest book is Invitation to Heal. As an itinerant speaker he has a ministry across 18 countries and 5 continents. He is also founder and director of God and the Big Bang a schools-based organisation part of St Johns College Durham that demonstrates the compatibility of science and faith to over 5000 school pupils every year.
